How to Prepare —

You will be provided with a 10'x10' exhibit space that has black 8' high back drape and 3' high side drape. This **does not** include a table, chairs, or other booth furnishing. Your booth can be set up however works best for your products, but please view the requirements and recommendations listed below.

Setting up your space —

- **Floor Covering:** The floor of Hall A is concrete, so a floor covering of some kind is recommended and will make your space more inviting. Bring carpet, rugs, removable tiles, or any other floor covering for your 10'x10' booth. Do **NOT** use self-adhesive tiles or duct tape on the convention center floor.
- **Holiday Item or Decoration:** **All booths are required to have an item that will carry the holiday theme throughout the show.** This can be: a holiday item or product that you sell, a string of lights, a small Christmas tree, a wreath or garland, or any type of holiday décor. You can decorate your entire space or just bring a small item; we want our visitors to feel the theme of the holidays as they shop the entire show.
- **Height of Display:** You may build your booth up to 8' high on all sides, but you are required to be mindful of your neighbors and stay within your allotted 10'x10' booth space. If any part of your display interferes with your neighbor or comes out into the aisle, you may be asked to move your display in accordance with these rules.
- **No Children Under 16:** **Any children under the age of 16 will not be allowed on the show floor during set-up or tear-down.** This is for their safety and all exhibitors will need to be in compliance with the Convention Center's policies.
- **No Tacking, Taping, or Pinning:** All exhibitors must be in accordance with the Convention Center policies regarding hanging decorations. You will not be able to tape, tack, nail, or otherwise fasten decorations to the walls, windows, doors, floors, glass, ceilings, or painted surfaces of the Convention Center. In addition, exhibitors will not be able to pin any hanging signs or decorations to the drape within their booth, however hanging items from the pipe using s-hooks is permitted.

Move-in and Move-out –

Please review information regarding our set-up and tear-down process. With such a large hall and so many exhibitors, following these instructions will help the entire process run smoothly.

- Move-in doors are located at the back of the hall and can be accessed through the **Hall A loading docks**. You will enter the loading docks through the entrance off **E. 16th Street**, and attendants at the gates can direct you to the lower level from there.
- You will be assigned a specific move-in time based on your booth size and location. Below are hours that the hall will be available for move-in, but please arrive at your assigned time. **You will receive your move-in assignment via email two weeks prior to the show.**
- Move-in will be scheduled **Wednesday, Nov 2nd between 1:00PM and 6:00PM** and **Thursday, Nov 3rd between 10:00AM and 6:00PM.**
- If the assigned time will not be possible with your schedule, please contact show management to reschedule your time. The hall will also be open on Friday before show hours, please contact show management if you will need to set up that morning.
- When you arrive, please check in at the table near the move-in doors inside the hall. There you can pick up your exhibitor badges, find your booth, and meet the show managers who will be available throughout the weekend.
- **Vehicles will be permitted on the show floor during move-in and move-out at the MCC's discretion. You will be able to drive your vehicle into a designated portion of the hall, but you will need to cart your items from there to your booth. We recommend bringing your own carts.**
- Please remove your vehicle as soon as you have unloaded your items. There is limited space available in the hall, and vehicles cannot stay parked in the hall for an extended amount of time. You may then return to the hall to finish set-up.
- **Storage:** During the show, storage will be available in the back of the hall for any empty containers or for restocking purposes. Show Management and the MCC are not responsible for your items, so please store any valuables or merchandise at your own discretion. If you would like to leave your trailer parked in the hall unhitched from your vehicle, please check in with us.
- **Move-out will begin on Sunday, Nov 6th when the show closes at 5:00PM.** Please do not begin dismantling and moving out your booth until that time. Once you have dismantled and packed up your booth, you will be able to bring your vehicle down the ramp and begin carting your items to the loading area.
- You will have access to the hall for move-out until **9:00PM on Sunday**. The hall will be available on **Monday, Nov 7th from 8:00AM-1:00PM** as well. **You must have all your items out of the hall by 1:00PM Monday, or they will be dismantled and stored by the decorator at your expense.**

During the Show –

We are here to help at any point during the show. See below important information that will help make this event a success for you.

- **Show Office:** The show managers will check in with you daily and throughout the show hours, but if you have questions the show office is located adjacent to Hall A on the lower level.
- **Box Office:** The box office will be set up outside the entrance to Hall A.
- **Payment Processing:** Major mobile networks have recently updated their capacity at the MCC, so your cellular data should be high speed for processing credit card payments on mobile apps (i.e. Square). If you need wireless internet services through Smart City, it will be available onsite for a daily rate. You can access this by connecting to the Exhibitor Wi-Fi network and selecting your options from the pop-up page to log in. **If you do not wish to purchase internet and cannot use data, please research an option that allows credit card processing offline.**
- **Booth Sitters:** If you need someone to watch your booth during breaks, there will be workers available to help. There are a limited number of booth sitters, so please check in with show management to secure a time. We suggest bringing a friend or coworker to the show to help you with breaks, since a booth sitter is not guaranteed. We cannot be held responsible for your merchandise.
- **Connect with us!** Please use the hashtag **#giftandartexpo** on social media and be sure to follow us on Facebook and Instagram **@giftandartexpo**. We'd love to see your updates before and during the event!

The Environmentally Acceptable Packaging Ordinance WHAT YOU NEED TO KNOW

GREEN TO GO EXEMPTIONS END APRIL 22, 2019

Some products have been exempted from the Green To Go ordinance. The exemption allows businesses to use the products even though they do not meet the requirements of the Green To Go ordinance.

The exempted products are:

- Polyethylene (PE) lined paper hot and cold cups and containers for liquids (soup, etc.) , and
- Rigid polystyrene (plastic #6) lids for those containers. The lids are marked with a #6 inside three chasing arrows.

Minneapolis Environmental Health has determined the product exemptions will end April 22, 2019.

By ending the exemptions in 2019, businesses have time to use up existing inventory and work with distributors to purchase products that meet Green To Go requirements. This approach is consistent with the educational approach used when the Green To Go ordinance was amended in 2014.

KEY REQUIREMENTS OF THE ORDINANCE

The Green To Go ordinance requires food and beverages prepared for immediate consumption and to-go must be placed in packaging that is reusable, recyclable or compostable. Recyclable materials must be recycled. Compostable plastics must be composted. The ordinance went into effect on April 22, 2015 (Earth Day).

WHO IS AFFECTED?

All people, businesses, events, or individuals who serve or give away food prepared for immediate consumption. This includes all restaurants; grocery store deli cases; food trucks and other mobile vendors; and temporary, short term and seasonal food vendors.

WHAT IS PACKAGING?

Food or beverage cans, bottles, or containers used to package product for immediate consumption including glasses, cups, plates, serving trays, and to-go containers.

ENVIRONMENTALLY ACCEPTABLE PACKAGING is reusable, recyclable, or compostable.

Plastics: PETE HDPE PP

Compostable plastics must meet ASTM standard D6868 or be certified compostable by Cedar Grove or BPI.

CONFUSING PACKAGING

Beware of packaging that does not meet Green To Go requirements.

Some confusing containers are beige and resemble compostable containers.

If the symbol on the container is a number six inside three chasing arrows,

the container is polystyrene and does not meet Green To Go requirements.

Terms such as “green alternative,” “degradable,” “biodegradable,” and “sustainably sourced” are marketing terms. They do not mean a product meets Green to Go requirements.

NOT INCLUDED

Products not included in the ordinance:

- Knives, forks and spoons
- Straws
- Stir sticks
- Foods prepackaged by the manufacturer, producer or distributor
- Plastic films less than 10 mils thick

EXEMPT BUSINESSES

- Catering companies licensed by the City of Minneapolis, another city or the state.
- Hospitals and nursing homes

FREQUENTLY ASKED QUESTIONS:

Are businesses required to have organics collection in the front of the house? If a business uses compostable *plastic* containers organics collection is required. If a business only uses compostable *paper* then organics collection is not required (but is encouraged).

What compostable plastics meet Green To Go requirements? Containers which meet ASTM standard D6868 or are certified compostable by BPI or Cedar Grove meet Green To Go requirements. Contact your supplier with questions about containers.

Questions about the ordinance? Call 311 or email health@minneapolismn.gov. Ask for an Environmental Health Supervisor.

NOT ALLOWED

- Rigid polystyrene - any color plastic marked
- Expanded polystyrene (commonly known as Styrofoam™)

Information for Sellers and Event Operators

Operators/organizers of craft, antique, coin, stamp or comic book shows; flea markets; convention exhibit areas; or similar events are required by Minnesota law to get written evidence that persons who do business at the show or event have a valid Minnesota tax ID number.

If a seller is not required to have a Minnesota tax ID number, the seller must give the operator a written statement that items offered for sale are not subject to sales tax.

All operators (including operators of community sponsored events and nonprofit organizations) must obtain written evidence from sellers.

Certain individual sellers are not required to register to collect sales tax if they qualify for the isolated and occasional sales exemption. To qualify, all the following conditions must be met:

- The seller participates in only one event per calendar year that lasts no more than three days;
- The seller makes sales of \$500 or less during the calendar year; and
- The seller provides a written statement to that effect, and includes the seller's name, address and telephone number.

This isolated and occasional sales provision applies to individuals only. It does not apply to businesses.
